Position Title: Technical Architect – System Administrator - UNIX Classification: Systems Software Spec I (Tech) 200-1587-xxx
Location: 11120 International Dr. Rancho Cordova, CA Section/Unit: CCSAS Project/Systems Management Section 200
Salary Range: \$5064-6465 Number of Vacancies: 1

Job Description: (includes typical duties)

Under the general supervision of the Supervising Technical Architect the Systems Software Specialist (SSS) works as a System Administrator for UNIX. The System Administrator works with CCSAS Project staff to design, implement, configure, and maintain the complex aspects of UNIX systems. In addition, System Administrator supports the operational and processing of CCSAS to monitor and tune the system to achieve an optimum level of performance; and conduct routine hardware and software audits of UNIX system for compliance with established standards, policies, procedures and configuration guidelines. The SSS may be assigned as a technical specialist to participate in project teams requiring knowledge of their discipline.

Required Knowledge, Skills, Abilities:

- Experience with administration, support, and configuration of UNIX systems.
- Experience with technical troubleshooting, analysis, and problem solving in a enterprise UNIX environment
- Experience with shell scripting with Korn shell and Perl
- Strong interpersonal and communication skills, and ability to work successfully in a team environment while demonstrating initiative and independence
- Strong organizational skills and ability to successfully manage concurrent assignments
- Understanding of systems operations and processing
- Familiarity with UNIX systems and configurations in support of web and database systems

Desirable Experience/Qualifications:

- A broad knowledge of all technical disciplines required to support a mission-critical system
- Experience with support and configuration of Web Application Servers in a enterprise computing environment
- Experience performing critical analysis on technical documents
- Ability to effectively communicate technical information to a non-technical audience
- Experience in procurement of hardware and software

"Exempt from hiring freeze"

Please submit a State application form 678 and a statement of qualifications or resume that demonstrates meeting the required knowledge, skills, and abilities. To be considered for this Job Opportunity, applicants must have permanent civil service status, be reachable on an employment list, or have reinstatement eligibility. **Applications will be screened and only the most qualified applicants will be interviewed.**

All applicants not currently employed with the Franchise Tax Board will be subject to a pre-employment background investigation. The investigation will consist of completion of a pre-employment questionnaire, fingerprinting, and an inquiry to the Department of Justice to disclose criminal records.

California State Tax Compliance: As required by the departments rules of conduct, all employees of the Franchise Tax Board (FTB) must be in compliance with the California Revenue and Taxation Code. During the background investigation portion of the hiring process, FTB will review return information to verify California state income tax compliance. Any failure to comply with the California Revenue and Taxation Code may prevent you from being hired at FTB. If you think you may have any potential tax compliance issues, please call (800) 852-5711 to resolve them prior to seeking employment with FTB.
